A hard-working individual looking for a challenging position where I can showcase my skills and contribute to the growth of the organization.

INTERNSHIP

April 2023 – June 2023

Intern | Gladhand Technologies Private Limited | Dharamshala, Himachal Pradesh

As an intern, I developed an android app for Attendance Monitoring System using Ionic framework, Angular and Google Firestore. This project gave me the opportunity to learn mobile app development with Ionic framework and cloud database integration with Google Firestore. I also enhanced my web development skills in Angular and TypeScript.

EDUCATION

2021 - 2023

Master of Computer Applications, Government P.G College, Dharamshala

- Affiliated to Himachal Pradesh Technical University (HPTU)
- CGPA: 7.45

2018 - 2021

Bachelor of Computer Applications, Vallabh Government College, Mandi

- Affiliated to Himachal Pradesh University (HPU)
- CGPA: 7.11

PROJECTS

Attendance Monitoring System | April 2023 – June 2023

- Using Ionic, Angular, and Google Firestore, I developed an app that monitors attendance.
- The app allows teachers to record attendance, students to check their records, and admins to manage users.
- The app features a user-friendly interface and real-time synchronization for improved attendance tracking.

Notes Making | September 2021

- I created a web application for storing notes using JavaScript to access the local browser storage.
- The app has a search feature in the navigation bar and a delete option for the saved notes.

SKILLS

- HTML
- CSS
- JavaScript
- Angular
- TypeScript
- IONIC Framework
